Data Protection Officer (DPO)

The Data Protection Officer (DPO - Data Protection Officer) is Aesse Servizi S. C., Via Cascina Colombaro, 56, 12100 Cuneo, phone 0171.451725, fax 0171.451734, email: dpo@aesseservizi.eu, segreteria@pec.aesseservizi.eu.

Purpose of the processing of the data collected and related legal basis

The owner has designed the video surveillance system commensurate with the real needs and risks identified in relation to the protection of company assets, as the current security measures have been assessed as insufficient or inadequate. Consequently, the legal basis on which the processing is based is the legitimate interest of the owner (Article 6, letter f, of the GDPR) for the prevention of theft, robbery, damage and vandalism.

Processing methods

Personal data are collected "by observation" through the use of electronic tools, such as video cameras, and are stored on a special video recorder. Areas that are not currently exposed to a specific risk or are in any case sufficiently protected by current security systems are not subject to video surveillance. Private areas such as bathrooms, changing rooms, trade union rooms, nor fixed work positions are in no way subject to video surveillance.

Retention period

Storage is limited to twenty-four hours after the survey, except for special needs for further storage in relation to holidays or office closures, as well as in the event that a specific investigative request by the judicial or judicial police. After this deadline, the images will be completely deleted with the overwriting of new images.

Recipients

The database created through video recording is accessible only by the Owner and / or by specifically designated subjects, following a specific request by the judicial authority. Third parties may also access the data (for example, providers for the management and maintenance of the video surveillance system and / or security and guardian company contractors, etc.) who carry out outsourced activities on behalf of the Data Controller, in their quality of data processors. The images will not be disseminated in any way.

Transfer of data

Personal data is stored on servers located within the European Union.
